To help you, here are some answers to frequently asked questions:

How many bottles should I buy?

Bottles are packed in boxes of 48. The smallest number you can buy is 1 box of 48 – thereafter in multiples of 48.

What are the cap colours?

We have 10 choices:

Red Blue Yellow Green Orange Black
Blue with Red mouthpiece
Red with Blue mouthpiece
Yellow with Blue mouthpiece
Blue with White mouthpiece

Replacement caps available in boxes of 100 at £30 +vat.

Permanent Paint Marker Pen

Dishwasher proof pens are available for £2.50 +vat to enable you to permanently write a name on each bottle.

Pens should be sufficient for at least 200 bottles.

Can I mix colours?

Unfortunately, all of the caps in a box are the same colour. You can have different colours only by buying a number of boxes.

How do I order bottles?

Fax or email your order detailing the number of boxes and your choice of cap colours.

Please use a school letter heading or order form and include the delivery address.

Alternatively you can order online at www.howardplastics.com and pay using our secure online payment system.

How much do they cost?

1 –9 cases (48–432 bottles) = 88p per bottle +vat
10 –19 cases (480–912 bottles) = 83p per bottle +vat
20 cases & over (960+ bottles) = 78p per bottle +vat

Permanent paint marker pen.
to write child's name = £2.50 each +vat

Delivery is free!

How do we pay?

We will send an invoice on dispatch of the bottles. Please send us a cheque or BACS payment once you have received the bottles and invoice. Alternatively you can opt to place your order and make payment online.

Are the bottles safe?

Our bottles and caps are made from Food Grade Low Density Polyethylene (LDPE) which is totally safe for repeated food use.

The bottles and caps all comply with BSEN71 and 90/128/EEC.

LDPE material should not be confused with PET.
